Photo Credit: Facebook.com/IAmSkylerReed

What: R&B/Soul Music

Where: LA, CA via Virginia

Influences: Whitney Houston, Jill Scott, Mariah Carey, Beyonce

Industry Comparison: Jazmine Sullivan

Why: Skyler Reed has the kind of voice that commands your attention. Her debut single "I'm Doin It" is an inspiring single that reflects her determination and positive energy, backed by a top-notch beat. Soulful R&B doesn't get the kind of mainstream exposure it should anymore, but I see the great potential she has to go very far with it, starting with this song. Listen to her powerful voice and follow her below.
